Dear Genesee County Business Owner:

I would like to invite you to join a very important and exciting program that is taking place throughout our county, the "RETURN THE F.A.V.O.R." Discount Program (Find & Assist Vets of Record).

This initiative is a way that our county can recognize the service and sacrifices made by our returning veterans. Under the "RETURN THE F.A.V.O.R." Discount Program, eligible individuals, will receive a picture I.D. card identifying them as an honorably discharged returning veteran. Participating county merchants would agree to honor the card by providing holders with a discount on some aspect of their purchases or services.

Participating merchants' names, addresses and discount particulars will be listed on the County web site which is available for viewing by businesses and residents. Involvement in the program is beneficial to businesses that will undoubtedly realize increases in traffic, sales and new customers. A window poster identifying the merchant as a participant of the program will be provided for display.

I have enclosed a "RETURN THE F.A.V.O.R." Discount Program Merchant Application Form and hope that you will consider becoming a "charter member." Please join us in demonstrating our sincere appreciation and support for the efforts of those who keep us safe and fight for our freedom!

Sincerely,

A handwritten signature in black ink, appearing to read 'Don M. Read', is written over a faint, larger version of the same signature.
