As a parent/guardian:

I understand that while my child/children are participating in the recreation program, the Recreation Leader and staff are in charge and participants are required to follow the rules set forth by the staff. Dear Parents and Guardians,

Welcome to Byron Summer Recreation! We are so excited to get to know your child(ren) this summer and help them develop healthy, active lifestyles and build positive, strong relationships with their peers. To help achieve these goals we are implementing a new policy. In the past couple years we have noticed an increase of cell phone usage during summer recreation. As a result of increased time on cell phones, children are not focusing on being active; instead they are sitting. We have also noticed that there has been an increase of problems due to cell phones.

In hopes of reducing these issues, we are implementing a NO CELL PHONES policy. If your child brings a cell phone to Summer Recreation, we will collect the cell phone and place it in a bag in our locked storage closet. The phones will be returned at the end of each day. If your child forgets to retrieve the cell phone when he is picked up, he will have to wait until the next recreation day to retrieve it. If a cell phone is lost or damaged, it is your own responsibility, we are not responsible. The best bet is to not bring it to the park.

We do realize that there are times in which it may be necessary for you to reach your child. In those times of emergency you can either come directly to the park or call my cell phone. Please use this only in times of emergency—being on the phone with you distracts me from giving my full attention to your child.

Thanks!
