

Town of Byron Newsletter

Volume 1, Number 63

Supervisor

Hello. Hopefully Spring is on the way. We had a mild November and December, but January and February made up for it.

Water Improvement Benefit Area #1 is basically designed with most approvals from different agencies approved and ready to go to bid. We are again waiting on the comptroller's approval, which hopefully will come late Spring. We hope to put it out to bid early Summer, with an immediate start, because of the size it will be broken down into two separate contracts.

As far as solar, Excelsior Energy is waiting on siting board approval and we are working through the process of road use agreements. If water and solar both get approvals this year, it will definitely be a busy Summer in the town of Byron. But, rest assured, we will be ready.

The day-to-day operations of the town have been running quite smoothly.

I'd like to take this opportunity to welcome our new CEO/ZEO Melissa Ierlan. She started in January and so far is doing an excellent job, and hopefully by Summer you should see a difference in the Town's appearance. It is a work in progress.

As always, this is your Town. Please try to attend Town board meetings, the second Wednesday of the month at 7:00PM.

Have a prosperous and safe Summer.

Respectfully,

Peter N. Yasses, Supervisor

Town Clerk

The Town of Byron Bicentennial will be held on Saturday, August 20, 2022. If you are interested in helping out, please attend our meeting on Tuesday, March 8th at 7:00 pm at the Byron Fire Hall.

The Byron Kiwanis and the Town Clerk's Office are selling Town of Byron commemorative throws to celebrate our Bicentennial, the cost is \$40 and will need to be prepaid. Please either call the Town Hall or Karen Jaczynski at 585-314-4245. If you'd like to be a part of the Bicentennial celebration planning, please call me for a meeting date and time.

As a reminder, taxes are collected at the Town Hall through March 31, 2022, and can be paid by cash, check, charge or money order. After March 31st, you will need to contact the Genesee County Treasurer's Office regarding payment.

Happy Spring,

Debra Buck-Leaton, Town Clerk

Assessor

The housing market was even stronger in 2021 than in 2020. Change notices for the 2022 annual update will be sent out in March. The trend for 2021 was 11% which means the average home in Byron was selling for more than 11% above the 2021 assessed value. Home sales still continue to be well above current assessed values. This will cause residential assessments for Byron to go up in 2022 even more than the increases in 2021. The increases still may not be high enough to be certified at 100% for the 2022 assessment roll. If you have any questions about values, please feel free to contact me at barreas@rochester.rr.com or 585-734-8372.

Barry Flansburg, Assessor

Highway Superintendent

Winter is hopefully coming to an end, and with that comes spring cleanup. The highway department will be repairing snow plow damage to lawns as soon as the weather allows and after there is no chance of further snowfall. Please be patient, we will work as fast as we can.

Thank you,
David Leaton, Highway Superintendent

Byron-Bergen Imaginary Library

The Byron-Bergen Imaginary Library is celebrating three years of providing free monthly books to our littlest residents (0-5). This program is completely funded by community businesses and individual donations. We welcome all donations and registrations. For more information contact Donna Gerrard 548-7380 or Anna Marie Barclay 494-1979.

Byron Volunteer Fire Department

It is with great gratitude that the Byron Fire Department writes this letter to express our thanks to the community for all the support and appreciation you have shown to us, whether it be with monetary donations, memorial donations, Boot drives or our BBQ's and raffles. Because of your support we now have two new pieces of apparatus Brush Truck 37 and our new Squad 19 (that replaced the old Rescue 19), as well as being able to replace and re-stock on well needed items for our, "Your", ambulance Rescue 40. You are truly the definition of "Good neighbors".

With warmer weather approaching we are working out details for our upcoming events. First to come will be a BBQ on Memorial Day, followed by a summer raffle. Hope to see you there.

Thank you and Stay Safe,
Members of the Byron Fire Department

Byron Fire Department Obtains A FEMA Grant To Upgrade It's Brush Truck

In 1973 the Byron Fire Department purchased a brand-new Chevy Custom 20 4WD Brush Truck, which provided excellent and dependable service, until this January. In March 2020, a grant application was submitted to FEMA for the purchase of a new brush truck to replace our 47-year-old unit. In October of 2020, we were notified that the grant for 95% of the total price was approved. We then started the process of obtaining a new heavy duty pickup truck, which due to the pandemic was very hard to come by. After 10 weeks of searching our vendor told us they were unable to locate a suitable heavy duty pickup truck. Members of the Department then went to work and in February 2021, we were able to order a 2021 Ford F350 Cab and Chassis from West Herr Ford in Hamburg. That unit was delivered that Memorial Day weekend. The truck was then outfitted with an aluminum utility box. The truck has since been fitted with a 150-gal skid unit, pump, hoses and all related equipment needed to fight brush and field fires, supply lighting at scenes, help at motor vehicle accidents, traffic control, wires down, cellar pumps, and many other situations that may arise from time to time.

By the obtaining of a grant for 95% of the cost plus the sale of the old truck we were able to obtain a brand new four door heavy duty 4WD truck with all the current safety features, a bigger water tank and pump, better lighting, along a number of other improvements just using the grant and sale proceeds from the truck.

The new truck went in service the end of February 2022. We would like to thank Jeff Roth, West Herr Ford, for his help in obtaining the Cab and Chassis, Mike Currey, First Out Rescue LLC, for getting us the skid unit, hose, lighting, Enforcer 10, and related equipment, Jim Fodge (Churchville) for the skid unit installation work, Nate Fix (Alexander) for the radio and related electrical work and Tom Chapell (Byron) for the excellent detail work.

BYRON VOLUNTEER FIRE DEPT

For more information on our services or programs, please call the Library at 494-1120.

Happy Reading!

Nancy Bailey -- Library Manager

Byron Cemetery Association

Spring will be here soon and many are ready for winter to end. John Durand will be busy mowing the grass at the cemetery. He keeps the cemetery looking beautiful. Tasks such as maintaining the trees, bushes, straightening and repairing the older grave stones will be completed by John and Dave Leaton. Their hard work and dedication is greatly appreciated.

The Cemetery Association sends a huge **thank you** to John and Jean Sackett for donating land to the cemetery. It is located east of the existing land on Swamp Road. We greatly appreciate the added space for future burial plots.

ANNUAL MEETING ~ The annual meeting of the Byron Cemetery Association will be held on Wednesday, April 20, 2022 at 7pm at the Byron Fire Hall. Everyone is welcome to attend. The Cemetery Association is eagerly looking for new members to make decisions for the cemetery. Please contact Kim Dewey if you are interested 585-356-2256.

Memorial Day is in the future and we would like to honor and thank the men and women for their service and commitment for our country. Many people visit the cemetery with flowers and items of remembrance for their family members or loved ones. Please review the items below if you plan to put flowers or decorations on a grave.

REMINDERS

- Decorations and flowers may be placed between April 1st and October 1st .
- Kindly place moveable pots or containers in line with the monument. This helps with mowing the grass.
- Please do **not** place any glass containers in the cemetery.
- Live plants (trees, shrubs or flowers) should **not** be planted in the cemetery without the Byron Cemetery Association's permission. They require maintenance that need to be taken into consideration. Your cooperation is greatly appreciated.

There are many available cemetery plots. If you are interested in choosing your final resting place, Superintendents, John and Donna Durand would be glad to show you existing plots.

Plot and Burial Prices

Cemetery Plot (4x10) \$600
Burial \$600

Pet Burial \$400
Cremation burial \$400

Burials on Sundays & holidays are an additional \$100. Additional charges may be added for snow removal & penetration of frost depending on the costs to the cemetery.

Trustees:

Kim Dewey, President
(585) 356-2256
Laura Bestehorn, Vice President
Kate Wride, Treasurer
Dave Leaton Jr. Vice Treasurer
Elaine Bezon, Secretary
Audrey Henry
Barb Read

Superintendents:

John Durand (585)813-3531
Donna Durand (585)813-2591
