

Legal Ad – Town of Byron RFQ Sanitary Sewer Engineering Services

The Town of Byron, Genesee County, New York, will be accepting statements of qualifications from qualified firms for the following:

Engineering Consulting Services related to a sanitary sewer project for the Town of Byron. The services provided by the selected engineer could include the preparation of final engineering reports, design documents, and construction services for the Town of Byron wastewater treatment plant improvements. The proposed project includes a 0.085 MGD treatment facility, one (1) pump station and associated forcemain with an approximate overall construction cost of \$8,000,000. With engineering, administrative, and other cost impacts imposed by the project; the overall project budget is anticipated at \$11,825,000.

Utilizing a qualifications-based process, the Town will select a consulting engineering firm licensed in the State of New York to design, bid, administer and close-out projects as the need arises.

The selection of the consultant will be valid for a period of three (3) years from the date of Town Board approval and the Town reserves the right to renew the selected consultant contract for an additional three (3) years.

The full Request for Qualifications may be obtained from the Town of Byron during regular business hours, or by contacting Town of Byron Supervisor, Candace Hensel, PO Box 9, 7028 Byron Holley Rd., Byron, New York 14422; (585) 548-7123 x 14 or by email at supervisor@byronny.com.

All proposals should be marked with the following language: **“REQUEST FOR ENGINEERING QUALIFICATIONS – TOWN OF BYRON”**

Proposals may be transmitted electronically in a PDF format consisting of a Statement of Qualifications per the requirements of the RFQ or four (4) bound copies of your qualifications statement via mail in a sealed envelope no later than **3:00 pm, October 22, 2024**, the submittal deadline date. Proposals received after that time will not be considered.

Proposals should be submitted to Town of Byron Supervisor, Candace Hensel, PO Box 9, 7028 Byron Holley Rd., Byron, New York 14422 or to the following email address: supervisor@byronny.com.

To be evaluated properly, the following must be addressed in detail:

- **Qualifications** – Availability of qualified personnel and capacity of the firm to carry-out professional engineering services.
- **Experience** – Experience and technical expertise of the firm and its personnel as well as information regarding projects previously undertaken, including the types and cost of projects.
- **Scope of Services** – Summarize scope and type of services understanding of program and tasks.

The Town of Byron is an Equal Opportunity Provider and Employer. The Town of Byron encourages Minority-owned Business Enterprises (MBEs) and Woman-owned Business Enterprises (WBEs) to submit qualifications.

The Town of Byron will award a contract to the Engineering firm(s) deemed most qualified to provide services as requested. The contract(s) will include scope and extent of work and other essential requirements.

The Town of Byron reserves the right to reject any and all proposals.
